

Dear Parents/Carers

Salford Diocese Theme of the Week for Schools for the Current Week. (Monday – Friday)

BELIEF: *'Eight days later, Jesus came to them.'*

– **Last Sunday's Gospel** - John 20: 19 - 31

Although we returned to school still processing the very sad news of Mrs Milnes death over the Easter Holidays it was still lovely to be able to welcome back the students this week for the start of the Summer Term. We started the term together in prayer in our Easter Liturgies that were respectfully altered so that we could remember and be thankful for the life of Mrs Milnes while also praying for her and her family. As you would expect the students were incredibly respectful and the whole community is being incredibly resilient in the face of this very sad news.

I have shared the prayer of Eternal Rest at the end of this letter, below is one of the prayers that was read by Harry our Head Boy at our Easter Liturgy as we remembered Mrs Milnes.

Dear Lord,

We come together as a community to remember Mrs Milnes.

We pray for all who are mourning - family, friends, colleagues and pupils.

We give thanks for her life and we pray all find comfort and hope in the Resurrection.

Lord, Stay with us on our journey.

Lord in your mercy. - Hear our prayer.

Lenten Effort Charity Total Update:

Well done to every member of the community who donated money or gave up their time to get involved in the huge number of fundraising activities that have taken place during Lent.

We have had an updated total with some last-minute donations and we are so proud that we have managed to raise over £7,100 in Lent for the Christie Cancer Hospital.

Year 7 Residential: PGL

The Year 7 Students on the PGL residential are having a fantastic time completing wonderful activities such as Canoeing, Archery, Trapeze, Disc Golf, and many more. It is a great privilege as a school to be able to provide lovely and enriching activities such as this and I am so grateful for all the staff who have given up their time to organise and supervise this magnificent residential trip.

There are lots of photos of the trip on our school social media pages!!

Year 10 Textiles and Product Design Trip

Well done to the Year 10 Students on their trip to Manchester Metropolitan University, they were excellent ambassadors for the school as they learnt all about 3D printing and technological advancements in the design and production industry.

St Thomas More RC College Achievement Point League

Remember that you can log into satchel one to check your child individual achievements and successes at any time as the parent page is updated daily, if you are unable to log in for any reason please contact school for help. admin@stmcollege.org.uk

Please note: The achievement point list below is collated and calculated at approximately 11am each Friday. This can mean that sometimes students may have slightly different points totals by the end of the day on Friday which are not reflected in the figures printed. Please do rest assured though that the points total and students highlighted are accurate at the time of production of the list.

Year 11 IMPORTANT Reminder

GCSE Summer 2026 Exams:

MFL (Speaking) & Art – 20th April 2026 to 2nd May 2026

GCSE Written Exams begins -- 5th May 2026 to 15th June 2026

There are only 2 school weeks until the written GCSE exams start in the exam hall.

Some exams have begun already with the Language Speaking Exams and the Art Exam next week

*Remember GCSE examinations begin in May so it is vitally important that Year 11 students are completing lots of revision at home at evenings during the week and at the weekends. It isn't always the easiest task for Year 11 students to revise consistently and regularly at home so any support and encouragement provided by parents/carers could be crucial in securing the best possible grades for your child. Thank you for your support in this, these next few **days** are a hugely important time for Year 11 students and any sustained revision that they can do at home in the next few **days** will be a superb preparation for their exams.*

Please note that the Summer 2026 GCSE Timetable is available to download on our school website

<https://www.stmcollege.org.uk/parents/examination-guidance>

Students will have plenty of materials to revise from that have been provided by all relevant subject areas and there are plenty of resources available online too such as BBC Bitesize. Through years of experience, school staff know that there is no better preparation for exams than individual students sitting down in a quiet space and making notes on a topic whilst also practicing exam questions that are available both from staff in school and exam board websites. Please also remember that students can do a huge amount of revision for Maths just using the SPARX website, and the school has paid for access to this resource for every student.

During the exam period, school will be open to Year 11 students from 8:20am so that they can have a relaxing start with possibly some last-minute revision before the day of exams ahead, in previous years it has been great to see so many students taking advantage of this and showing so much commitment to success in their examinations.

Please note that as always Year 11 will continue to attend all their lessons during these initial parts of the exam timetable, we have found through many years of experience that it is much better for students to continue to attend their lessons on days when they don't have exams as teachers are able to direct and support their revision.

We have carefully considered the exam timetable structure and concluded that on **Friday 5th June** the first week back after half term that the majority of the exams will have been completed, after this date students will then only need to come into school for their exams or for lessons in which they still have an exam left to take, at other times from Monday 8th June students can then revise for the small number of remaining exams at home.

On the morning of Friday 5th June, pupils will complete their English Language exam and will be allowed to leave site to go home to revise however on this day we will also have the facility to allow students to remain in school if required to complete silent revision for exams on the following Monday.

On Tuesday 9th June there will be a specially scheduled maths lesson for all students' periods 10 and 11 for all Year 11 students in advance of the final maths paper the next day. Following the additional Maths lesson on Tuesday 9th June, students will be given the opportunity to sign shirts at the end of the school day, this has been a lovely experience for students in times past and as in previous years students will also have the opportunity to collect their leavers hoodies, we will also once again make every effort to organise an ice cream van on site dependent on weather.

The date for the Year 11 Prom is Wednesday 1st July 7pm to 10pm, please remember that the Prom is by invitation only at the discretion of the school and that students must be in positive More points to have the opportunity to attend alongside other criteria including attendance.

On Friday 1st May, before the written GCSE exams start Year 11 will have a liturgical assembly to pray for success in the forthcoming exams.

Reminder: Confirmation 2026

I have been asked by the parishes of

St Mary and John Fisher,

Holy Family,

And St Joseph's

To share with you the details of the joint confirmation programme for students in Year 8, or older students who have not yet been confirmed and wish to be.

The covering letter and application form are available on the Parish Newsletters page of the school website and completed forms should be returned to your Parish Priest (not school).

Main details are as follows: The Catechetical sessions will take place in the parish hall at St Mary's church hall, Market street, Denton on Saturday 18th and 25th April from 9.30am to 2.30pm (Children will need to bring a packed lunch). BOTH SESSIONS must be attended. As well as regular attendance at Weekend masses (Saturday Vigil or Sunday Morning).

Bishop John has agreed to visit St Mary's Church on 10th June 2026 at 7pm to confer the Sacrament of Confirmation on our young parishioners currently in Year 8 (and indeed any older pupils that wish to be Confirmed but missed previous years).

Finally

Please remember that you can contact school each weekday Monday to Friday either by calling 0161 336 2743 or emailing admin@stmcollege.org.uk during normal school hours, if you do want to visit school to talk to a member of staff that can of course be arranged but do please contact school prior to your journey so that mutually convenient time and date can be arranged for an appointment.

God bless

H Brophy

Prayer for Eternal Rest for Mrs Milnes

Eternal rest grant unto her, O Lord,
and let Your perpetual light shine upon her.
May her soul and the souls of all the faithful departed
rest in peace.

Amen.
