

Dear Parents/Carers

Salford Diocese Theme of the Week for Schools

THANKSGIVING *'He changed his mind and went. The tax collectors go into the kingdom of God before you.'*

Sunday's Gospel Matthew 21:28-32

This week assemblies have taught students about key themes related to Artificial Intelligence (AI), discussing both the benefits and the disadvantages of this new technology. We also discussed with students some safeguarding risks associated with AI and how they can take steps to protect themselves and their data. Year 11 students continued with their series of Sixth Form College Assemblies and we were happy to welcome Loretto College into school on Monday to talk to the students.

Visit of the MP for Gorton and Denton

We welcomed Ms Hannah Spencer to school this week, Member of Parliament for Gorton and Denton. Ms Spencer talked to a group of our students about democracy and the role of a member of parliament and was very happy to answer questions from our enthusiastic and engaged students.

The behaviour of the students was excellent and they provided a warm and mature welcome for our guest. Ms Spencer commented on how well-mannered our students are (including those she met outside of the session moving to and from reception). She was also very impressed with the students' questions, their political literacy, and collaboration throughout the session.

Our students were excellent ambassadors for our community and should be very proud of themselves.

Languages Day

Many thanks to the Modern Foreign Language staff who last week celebrated a fantastic Day of Languages, staff dressed up in traditional clothes from countries across Europe and there were lots of great activities for students to participate in during lessons to celebrate the wonder of Languages.

Achievement Point League

Well done to all the students who have continued the year so brilliantly and are collecting so many achievement points by doing the simple things really well in school. Bravo!

Remember that you can log into satchel one to check your child individual achievements and successes at any time as the parent page is updated daily, if you are unable to log in for any reason please contact school for help. admin@stmcollege.org.uk

Please note: The achievement point list below is collated and calculated at approximately 11am each Friday. This can mean that sometimes students may have slightly different points totals by the end of the day on Friday which are not reflected in the figures printed. Please do rest assured though that the points total and students highlighted are accurate at the time of production of the list.

Finally

Please remember that you can contact school each weekday Monday to Friday either by calling 0161 336 2743 or emailing admin@stmcollege.org.uk during normal school hours, if you do want to visit school to talk to a member of staff that can of course be arranged but do please contact school prior to your journey so that mutually convenient time and date can be arranged for an appointment.

God bless
H Brophy

Prayer of Thanksgiving

Thank you for the people who support us,
and the opportunities we have.
As we face the challenges ahead,
help us to appreciate how far we have come,
and all the positives in our world,
and to be thankful for each day

Amen
