LACROSSE LEGEND

This is an interview of Mr Pink sharing his journey of lacrosse. Firstly, he has told us where he has been.

Mr Pink has been to many places such as Prague, Poland and Amsterdam. His favourite place he has been to is America playing against all the best people.

Mr Pink has been playing lacrosse since Primary School and has been passionate ever since

Mr Pink has now brought his passion to school on Thursday after-school where anyone can go. This is a chance for you to try a sport that is not very common but still equally fun.

The Stewards have put together form pet plants made up of pea and mustard seeds that your form rep for stewards will look after. When it reaches 10cm return it to room 17 so that the stewards in Ms Hogues room can plant them.

Loving God, we
thank you for the
gift of this
School. For the
teachers who guide
us the friends
who support us
and the family's
who love us
Amen
